Waiting List Information Form

In order to place a child's name on our waiting list, you must complete this Information Form. We also encourage you to visit the Centre to see our setup, get an idea of our program and philosophy, and observe the interactions of the staff with the children.

In order to accommodate sleeping schedules and staffing, visiting hours for the Centre are from 9:00 am to 11:00 am, and again from 3:00 pm to 5:00 pm. Families are free to drop in for information and/or tours during these times. We ask that families refrain from coming during the hours of 11:00 am to 3:00 pm, as children will be eating lunch and napping during this time. Also, after 5:00 pm staff/child ratios are such that there are no staff available to assist you.

Families are added to the waiting list in appropriate age-groups based on a first come first served basis. However, priority is given to children who are currently enrolled and moving from one age-group to another, siblings of children who are currently enrolled, and the children of staff employed at the Centre.

Please keep in mind that movement on the wait list is based on families withdrawing from the Centre. As families are only required to give one month's notice of withdrawal, we often have no way of knowing how quickly you will move up the waiting list. We contact families to update information if needed and as space becomes available. Families can check on the status of their place on the list, however, we cannot give any specific information on exact wait times or when space will become available. If space becomes available we will call 2 or 3 families at a time in order to fill the spot as quickly as possible. The first family to respond and accept the position, as well as pay one month's fee as deposit will be guaranteed the space.
